**Dear Robertson Builder,**

It is with mixed feelings that I announce the retirement of Bob Rollason from Robertson Building Systems after more than 46 years of extraordinary service. Bob has graciously agreed to stay on until the end of the year.

Bob spent many of those 46 years as Estimating Manager at Robertson and his expertise and solid work ethic helped Robertson become a success.

Most of you have either met Bob or worked with him over the last 46 years and know his sense of humor, quick wit and great spirit. He has cultivated strong working relationships with our Builders and has mentored countless employees with his patience and knowledge.

At our Partnership Forums Bob had a reputation for dressing up and making us laugh. The Rhinestone Cowboy in Phoenix or an English Bobby in Jamaica.

I remember meeting Bob for the first time and was astonished at the knowledge he held and how easy it was to work with him. We've collaborated on many projects and I will personally miss his expertise.

Bob and his lovely wife Denise, who will be retiring next summer, are looking forward to their hard-earned retirements where they will continue to enjoy travelling, and spending time with family and friends.

Please join me in thanking Bob for his contributions to Robertson's success and in wishing both Bob and Denise good cheer and great health in the years to come.

Sincerely,  
Robertson Building Systems
